

3D ANIMATIONS

Main functionalities

- Explain the race rules
- Entertain your customers
- Strengthen your modern company image
- Announce events & promotions
- Make money by adding your sponsors' logos

Red Light – The track is closed or the race has been stopped. Please proceed to the pit lane with extreme caution.

The 3D animations will assist you in 2 important fields of your business: organization and marketing. For example, displaying the race rules in your briefing room will replace or assist the traditional briefing done by your track marshal.

MORE POSSIBILITIES WITH...

- HDTV Display can display what you want, when you want
- Our sponsor file service can help you to sell your advertisement space in your movies

The brake pedal is on your left foot and the accelerator pedal is on your right foot.
